OneCall24 is dedicated to supporting our clients in their strategy to on-board workers and meet their internal staffing needs. Our policy surrounding the on-boarding of OneCall24 temporary workers is as follows:

Temp to Temp:

Understand Trusts Policy on T2T rules, on transfer and required periods of not working.

If candidate has worked for Trust or another agency within the timeframe stipulated within the policy, we do not engage on behalf of that end user.

If in doubt, communicate with the trust to establish firm timelines so we understand if and when the worker can go in to that trust.

If a worker has worked for OC24 and start working at the trust for another agency, we alert the trust for them to investigate.

At present OC24 does not charge for T2T.

No charges would ever be considered without Director approval.

Temp to Perm

Understand the trusts intentions with engaging workers on a temp to perm basis.

If this is the trusts strategy, support them in their goals.

OC24 to be transparent in their approach, communicating at all times where possible.

At present OC24 does not charge a trust for engaging with one of our temporary workers.

No charges would ever be considered without Director approval.
